north park

mini-park and associated streetscapes

Community Workshop #1 was held June 4, 2011

how can i get involved?

Community involvement in this project is crucial to ensuring a successful plan that meets the needs of your community. Attend Community Workshop #2, where City staff and project consultants will share initial design concepts for the mini-park and streetscapes that reflect the community's vision and design elements as discussed in the first workshop. The Community Workshop is free and open to everyone. Light refreshments will be served.

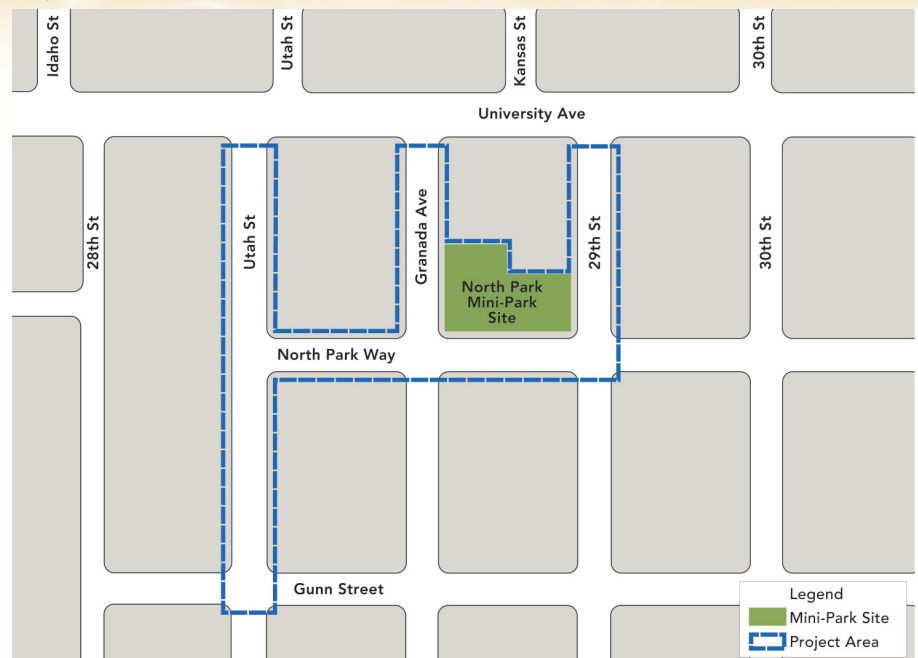

Community Workshop #2
Open House: 5:30 p.m. - 6:30 p.m.
Workshop: 6:30 p.m. - 8:30 p.m.
Wednesday, November 16, 2011
Gymnasium / Assembly Area
Jefferson Elementary School
3770 Utah St., San Diego

Input from the workshop will help design the General Development Plan (GDP) for the future Mini-Park and a Streetscape Master Plan. Additional public meetings and presentations will be scheduled through early 2012. Please stay tuned!

planning of the north park mini-park and associated streetscape improvements project

The Greater North Park community has a unique opportunity to create a new urban park and enhanced streetscapes behind the recently renovated North Park Theatre. The future North Park Mini-Park will serve as a central gathering space for the community, with enhanced connections to the residential area to the south, the future Jefferson Elementary School Joint Use Improvements, and the business district on 30th Street and University Avenue.

Originally conceived by local community members, the 0.5 acre Mini-Park is envisioned as being reflective of the surrounding area's intensive urban character, and designed for passive recreational uses. Associated improvements to connecting streets will include recommendations and guidelines on design components. The streets included will be: 29th Street from University Avenue to North Park Way; Granada Avenue for University Avenue to North Park Way; Utah Street from University Avenue to Gunn Street; and North Park Way from 29th Street to Utah Street.

for more information

For more information about the North Park Mini Park and Associated Streetscape Improvements Project, please contact the City's Project Manager, Todd Schmit at (619)533-4620 or visit the City's web page for up to date project information at <http://www.sandiego.gov/engineering-cip/projectsprograms/northparkminipark.shtml>
